## **Bug in use case UC47 List audits**

### *Description*

The list shows all the audits instead of the audits made by the user currently logged in.

### *Results*

The tester found this error.

## **Bug in use case UC49 and UC50 Create/Edit audit**

### *Description*

The score field is not rejected when using negative numbers.

### *Results*

The tester discovered this bug and took a screenshot of the result.

## **Bug in use case UC59 Provider item list**

### *Description*

The list does not have the “provider” column with the links.

### *Results*

The tester reported an error but did not specify the missing column. It appears to be a confusion.

## **Bug in use case UC61 provider create item**

### *Description*

The system does not save the new item.

### *Results*

The tester found this bug and reported about it.

## **Bug in use case UC18 Delete item**

### *Description*

This action does nothing.

### *Results*

The tester reported on this bug.
